Production Sale - March 22, 2005

If I tried to write a thank you note to everyone who helped with the recent Junior Hereford Regional there would be nothing else done this summer, therefore this blanket one will have to do from me.

As usual breeders in Kansas came forth for the youth of our breed. So many, many of you contributed financially or physically and in most cases both. Without your assistance the show would not have been possible. So many of the alumni of the Kansas youth program were in attendance and with their help made things ran much smoother.

Yes, the weather and the facilities were in our favor, but countless remarks were made to me about enjoying the show and the hospitality that the Kansas folks offered.

Please excuse my informality of this and except my genuine thank you to all of you.
